You can sign up for Book Club within your own secure **Customer Portal**, or reach out to your Consultant and they can do it for you! To access your Customer Portal, go to your Consultant's website, and click "Customer Login" at the top right of the screen (across the top on mobile). Please ask your Consultant for help, if needed. 2. PAYMENT DETAILS:

The Usborne Books at Home Canada Summer 2024 Book Club is a **3-month term subscription**, which begins in June 2024 and ends in August 2024. Payment of the subscription will automatically process on June 21st, July 21st, and August 21st (or the next business day). After the 3-month term ends, you will no longer receive your monthly shipment of books and you will not be charged the subscription fee again, but will have the option to sign up for future Book Club Subscriptions!

3. EDITING/CHANGING ORDERS:

Once selections have been made and you have completed payment, subscription types (age, size/cost, theme) cannot be edited. **You can only edit the shipping address prior to payment processing each month. Your Consultant can also do this for you, at your request.** Cancellations are possible prior to payment processing (see Cancellation Policy below).

4. SHIPPING DETAILS:

All Book Club orders have a **\$10 flat-rate shipping fee** applied to each monthly order (in addition to the Book Club Subscription and 5% taxes). These savings on shipping are exclusive to Book Club orders! Book Club Subscriptions process between June 2024 & August 2024, but shipments may arrive between June & September, depending on your geographical location.

5. RETURN POLICY:

Usborne Books at Home Canada stands behind our amazing products. With proof of purchase, any item may be returned for replacement due to a manufacturing defect at no charge for up to 30 days from purchase. Usborne Books at Home Canada does not offer substitutions. Please contact your Consultant for further details.

6. CANCELLATION POLICY:

Cancellations must be completed prior to payment processing on the 21st (or next business day). Cancellation of a Book Club Subscription forfeits the customer's right to the discount on the items, and will result in a chargeback fee of the balance of the retail value of the items already received, plus an administrative fee of \$5. These cancellation fees will be charged to the payment method used to purchase the subscription. Usborne Books at Home Canada does not issue refunds.
